Your GoGo VIP Benefits

- ✓ **Annual Whole-Home Plumbing Inspection**
Our licensed technicians inspect key plumbing components throughout your home to identify potential issues before they become costly repairs.
- ✓ **Water Heater Flush**
Sediment buildup can reduce efficiency and shorten equipment life. Our annual flush helps keep your water heater operating at peak performance and extends its lifespan.
During annual visit for tank heaters; tankless heaters additional \$99.
- ✓ **Member-Only 10% Discounts**
Save 10% on qualifying repairs, services, and plumbing solutions.
- ✓ **Extended Repair Warranties**
Enjoy enhanced warranty protection on qualifying repairs, providing added confidence and long-term peace of mind.
- ✓ **Priority & Emergency Front-of-the-Line Scheduling**
VIP members receive scheduling priority ahead of non-members whenever possible, including emergency situations.
- ✓ **Faucet Flow Optimization**
Mineral buildup can restrict water flow and reduce performance. We'll inspect and optimize one faucet annually to help maintain proper flow.
- ✓ **Oops Protection**
One complimentary jewelry retrieval attempt each year.
- ✓ **New Home Reset & Shut-Off Valve Tagging**
We'll identify and clearly label important shut-off valves so you'll know exactly what to do during a plumbing emergency.
- ✓ **Complimentary Visual Septic Inspection**
For homes with septic systems, we'll perform a visual inspection of accessible components to identify signs that may indicate a developing issue.
- ✓ **Leak Detection Investigation**
Small leaks can lead to major damage. We'll perform an initial investigation to help identify potential leak sources and recommend next steps.
- ✓ **Water Quality Check**
We'll perform a basic water quality screening to identify common concerns such as odor, taste, or chlorine levels.
- ✓ **Loyalty Credits**
As a VIP member, you'll earn Loyalty Credits that can be applied toward future equipment replacement.
- ✓ **One Free Emergency Dispatch Annually**
This helps reduce the cost of urgent plumbing situations.
- ✓ **"We'll Show You How" Home Visit**
During a scheduled service visit or home inspection, we'll walk you through important plumbing components, shut-off locations, and maintenance tips so you feel confident caring for your home.
- ✓ **Free Camera Inspection with Main Line Cleaning**
When you schedule a qualifying main line cleaning, we'll include a complimentary sewer camera inspection to help identify potential issues.
- ✓ **Freeze Protection Reminders**
Receive seasonal reminders and helpful tips designed to help protect your plumbing system from freeze damage.

Proactive Care. Priority Service. Total Peace of Mind.
